Greatest American Violinist
An Honor to Her Country

AND

To the Art of Music

Mme. Powell's playing is of a pure, unforced, almost severe integrity, and is so impersonal that her listeners hear the violinist only as the potent and absorbing voice of the music.

She is not a violinist doing difficult "Stunts" for the admiration of a bewildered audience. She is a musician rhapsodizing in the pure exhilaration of her mastery of her instrument. She upholds the highest and best in musical art always and yet reaches the heart and sensibilities of her public.

A MUSICAL FEAST

MAUD POWELL

LEAVES CAUSE WRECK

Streetcar Collide and Motorman
Loses Both Legs.
Columbus, O., Oct. 31.—David
Hughes, 22, motorman on a Linden
car, lost both legs and received other
injuries which probably will cost his
life, in a head-on collision with a
Westerville car at the north end of
switch No. 2, one and one-half miles
north of the city limits, in Cleveland
avenue. Only the fact that the Lin-
den car carried only five passengers,
who sat in the rear of the car, pre-
vented the possible death or injury
of others.
The wreck was caused by the Wes-
terville car running through the
switch in the path of the approach-
ing Linden car. According to Motr-
man Kroedel he could not stop his
car, because the wheels slipped on
leaves, which partially covered the
track. The power was reversed and
the brakes set to no avail.

Put Lid On Presents to Teachers.
Zanesville, O., Oct. 31.—Presents
to "our dear teacher" in the Zane-
ville schools are now limited to red
and yellow apples and oranges. The
board of education has enforced a
rule prohibiting the children from
taking up collections to purchase
Christmas presents for teachers.

Boards of Review Granted Time.
Columbus, O., Oct. 31.—The state
board of appraisers and assessors
granted extensions of time to city
boards of review sitting as boards of
equalization. Akron was extended to
Nov. 15, Mansfield 15 days, and the
other cities making the request, All-
ance, Cleveland, Columbus, Mt. Ver-
non, Sandusky, Youngstown, Canton,
Kenton, Massillon, Newark, Xenia
and Zanesville, 19 days.

Railroaders Favor Higher Rates.
Columbus, O., Oct. 31.—Resolutions
calling on the Interstate commerce
commission to give the railroads a
"square deal" by permitting the pro-
posed increase in freight rates,
copies of which are now on file with
the commission, were adopted by
over 800 Ohio, Indiana and Pennsylv-
ania railroad men, representing four
orders and 177 lodges, in a meeting
here. The orders represented were
the Order of Railway Conductors,
Brotherhood of Locomotive Engi-
neers, Brotherhood of Locomotive
Firemen and Enginemen and Broth-
erhood of Railway Trainmen.

A Little Mixed.
The following notes from parents
were recently brought by two pupils
of a certain school:
"Dear Teacher—Kindly excuse John's
absence from school yesterday after-
noon, as he fell in the mud. By doing
the same you will kindly oblige his
mother."
The other read:
"Dear Teacher—Please excuse Wil-
lie's absence last Friday, as he had to
go to the hospital after his nose."

FIND YOUR BUYER

HE READS THE ADS!

Sell that property for its real value by finding
the buyer who NEEDS it. The man who buys
for speculation thinks always of taking advantage
of your anxiety to sell—but the man who NEEDS
YOUR PROPERTY will pay a fair price, and BE
GLAD TO DO SO. He's to be found. He reads
ads. He misses some of them, too. But—he reads
them again the next day, and the next. He will find
YOUR AD IF IT IS "THERE" WHEN HE
LOOKS FOR IT.
